Ingles strives to provide one-stop shopping convenience to its valued customers. Ingles supermarkets offer customers a wide variety of nationally advertised food products, including grocery, meat, produce, deli and bakery departments. In addition, the company offers pharmacies and fuel at the majority of its 200 plus locations.

Ingles offers a full variety of brand name products supplemented with Ingles' own Laura Lynn brand products which are equal or superior to National Brands and guaranteed by Ingles Markets. Ingles Private Label products are named after Mr. Ingle's daughter, Laura Lynn Ingle.

The same customer focus and commitment to quality and convenience on which Robert Ingle founded the business in 1963, continues today throughout the organization.
